## <u>Part-B</u>

## **CRITERION I – CURRICULAR ASPECTS**

#### **1.1 Curriculum Planning and Implementation**

1.1.1 Institution has the mechanism for well-planned curriculum delivery and documentation. Explain in 500 words

- Our institute is affiliated to Gujarat University. Therefore, the designing of the curriculum is done by the members of boards of studies of the university. Although; Title, content, credits, and references of the foundation, core and elective courses are suggested by our teaching staff members who are members of board of study. Our institute have to implement and operationalize the curriculum designed by Gujarat University.
- A common framework of teaching plan for all the subjects is prepared by the IQAC cell of the College, which includes coursework of the subject, period required for its completion and schedule for practical work.
- Each faculty member formulates his / her own semester wise teaching plans as per the allotted course / subjects / papers and lectures in accordance with the college calendar. Each faculty member submits prepared teaching plans to respective Head of Department.
- Each Head of the Department looks after the progress in the teaching learning in each of the course work as per the submitted teaching plans.
- Departmental academic plan is prepared by the head of the respective departments under the supervision of head of the institution.
- Thus, IQAC of the College is actively involved in planning and execution of academic calendar, departmental plan & individual teaching plan. Moreover, IQAC also emphasizes on quality control of the teaching, learning, and evaluation process.
- For curriculum implementation, Teachers use to develop good rapport and healthy relationship with students in order to know their background knowledge and understanding of the subjects, and accordingly design student centric classroom teaching learning process and takes care of imparting knowledge to the students looking to their level of understanding.
- Faculty members also conduct lectures by the optimum use of ICT in order to increase the effectiveness of teaching-learning process.
- The faculty members make use of ICT as well as different kinds of teaching learning techniques to provide student centric quality education to the students.
- Various co-curricular activities like field visits, industrial visit, study tour, popular lectures, guest lectures, National Science Day celebration, stage show of experiments etc are carried out to boost main stream curriculum.
- All the departments have well equipped laboratories and faculties make use of it to provide the real understanding of the subject by performing the experiments included in the curriculum. As a part and parcel of basic science study, students have to perform experiments / practicals as per the syllabi of their courses. The experience of doing practicals, taking observations and exploring something out of it and knowledge gained from it is far more valuable, long lasting and more personal than any other type of education.
- The curriculum is completed by the faculty members within stipulated time as per the course plan and calendar. However, special extra classes / practical sessions are also arranged to cope up with the shortage of time.

#### 6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

- Curriculum Development : Our college is affiliated to Gujarat University. As a member of the board of studies, some faculty members are also involved in designing the new curriculum in respective subject. College has adopted CBCS system from the year 2011-2012. The students are offered wide range of options for the foundation, core and elective subjects specified in the curriculum by Gujarat University. As a member of the board of studies, some faculty members are also involved in designing the new curriculum in respective subject.
- Teaching and Learning : For curriculum implementation, Teachers prepares their Teaching Plan as per the academic calendar of the college. Teachers use to develop good rapport and healthy relationship with students in order to know their background knowledge and understanding of the subjects, and accordingly design student centric classroom teaching - learning process and takes care of imparting knowledge to the students looking to their level of understanding.

Faculty members also conduct lectures by the optimum use of ICT in order to increase the effectiveness of teaching-learning process.

Being a Science College, more emphasis is given on practical sessions, which includes demonstration of experiments by teachers and hands on experience by students.

- Examination and Evaluation : The performance of a student in each course is evaluated in terms of percentage of marks with a provision for conversion to grade points. The evaluation of the performance of a student in each course comprises of two main components: (i) Internal Evaluation, (ii) External Evaluation. External evaluation is carried out by Gujarat University. Internal evaluation for each course is carried out by a continuous internal assessment (CIA) by the concerned course teachers as well as by an end semester internal examination. For CIA evaluations techniques like attendance, assignments, regular checking of practical record-books & journals, conducting quiz / MCQ test, viva, seminars and internal unit test.
- Research and Development : As the institution is an undergraduate college of government of Gujarat, it does not have outstanding infrastructure facilities as far as research is concerned. But most of the teachers are Ph.D. holders, who are enthusiastic to continue research work in collaboration of their mother institute of Ph.D. studies. Teachers are encouraged to carry out research work. Faculty members are encouraged to participate in State, National and International level conferences, seminars, symposia, workshops and also present their research papers. Two of the faculty members are Ph.D. Guide also.
- Library, ICT and Physical Infrastructure / Instrumentation : More emphasis is given to upgrade library, ICT facilities and other physical infrastructure in the college from the available grants of UGC & RUSA.

First initial draft of Detailed Project Report (DPR) was prepared for RUSA 2.0, Component 9 – Infrastructure Grants to Colleges as per the directions & guidelines received from Knowledge Consortium of Gujarat (KCG), Ahmedabad. College was selected for RUSA 2.0, Component 9 Infrastructure Grants to Colleges by 12<sup>th</sup> PAB of RUSA, MHRD, New Delhi held on 25<sup>th</sup> May, 2018. In future college will receive grants under RUSA 2.0, Component 9 Infrastructure Grants to Colleges.

- Human Resource Management : Ours being a government college, the selection process of permanent teachers is carried out by State Government approved agency Gujarat Public Service Commission (GPSC) as per the UGC Regulations and Government Recruitment Rules. On the basis of the recommended list of GPSC, Department of Education, Government of Gujarat carries out further process of recruitment orders of teachers.
- Industry Interaction / Collaboration : To increase knowledge of the students regarding recent advances, emerging trends and development in the industries, Institute conducts industrial visits for students. Departments organizes the field visits and study tour to Research Institutes & Industries for experience based learning.
- Admission of Students : University level centralized online admission process conducted by Gujarat University Admission Committee (GUAC) is followed by the college for the first-year B.Sc. from the academic year 2017-18. The entire admission process is carried out by Gujarat University through website <u>https://www.gujaratuniversity.ac.in/admission</u>. For the admissions, in the subsequent years, i.e., for S.Y. (Semester 3 & 4) T.Y. B.Sc. (Semester 5 & 6) college carry out offline local admission process. Local college level different admission committees are formed for the subsequent years, i.e., for S.Y. & T.Y. B.Sc. admission process. Offline admission process is

followed by each of the admission committee. Each admission committee takes care of all the rules regulations and guidelines of the college in accordance of Gujarat University and Government policies. As college follows the CBCS, admissions in the respective groups are given as per students' choices of subjects.

- 6.2.2 : Implementation of e-governance in areas of operations:
  - Planning and Development : Computer & Printers are provided to administrative office and Head of the Departments. Internet Facility under NMEICT is available in Principal Office, Clerical office, Computer Lab and at all the HoDs Chambers. Attendance of all Staff members is governed by Biometric machine. Important notices related to planning and implementations are forwarded to staff members through emails and other available social media platforms. College website also facilitates information of college activities and notices so that students can easily excess them on college website.
  - Administration : College Profile is placed on e-gyan portal prepared by office of Commissioner of Higher Education. College website also facilitates information of college including Motto, Vision, Mission, Departments, Staff details, Teachers' profile, Academic Calendar, Various Committee details, library details, day to day activities & notices etc. So, Parents as well as Students can have easy access of college information.
  - Finance and Accounts : Gujarat State Wide Area Network (GSWAN) connection is provided to college by Department of Science & Technology, Government of Gujarat. GSWAN Connectivity creates foundation for rolling out any service electronically hence it is one of the cardinal factors in e-governance. This GSWAN intranet provides secure access to IFMS "Integrated Financial Management System" which is used in all Government Offices to look after financial matters. Salary bills are submitted to the treasury office through IFMS platform. Salary of faculty members and staff is transferred directly to the bank account.
  - Student Admission and Support : University level centralized online web enabled admission process conducted by Gujarat University Admission Committee (GUAC) is followed by the college for the first-year B.Sc. So, Applications for admission are submitted through the online GUAC web portal. Information about the available courses, subjects, number of seats available, seat matrix for F.Y., S.Y. & T.Y. B.Sc., admission criteria, fee structure, etc offered by the colleges are published on GUAC web portal. The student admission support is provided by local college level admission committee.
  - Examination : Gujarat University Examination Forms are submitted online by college through Exam Forms Correction System (EFCS) platform. College use to submit internal marks online to Gujarat University. Our university website provides information regarding Exam Circulars, Examination Schedule, Seat Numbers, Seating Arrangement, Results, etc. This system is student friendly. College has a separate exam conduct room with necessary facility of fast photo copier machine for the printing of the question papers of internal exam. Students are provided Exam forms, Exam Hall Tickets.

#### **\*** The Context :

- The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It provides opportunity to the Graduate students at college to take part in various government led community service activities & programmes.
- As per the fundamental principles of National Service Scheme, volunteers are expected to remain in constant touch with the community. As the NSS volunteers have to live with the members of the community during the 7 days Special Camping Programme and learn from their experience during his/her tenure in NSS. It helps to identify the needs and problems of the community and involve them in problem-solving. So, NSS unit of the college has adopted Por village of Gandhinagar district for implementation of NSS programmes.
- To develop among themselves a sense of social and civic responsibility.
- The sole aim of the NSS is to provide hands on experience to young students in delivering various community service.

#### The Practice :

- Government Science College, Gandhinagar is also running NSS unit of college boys & girls.
- As per the guidelines of Ministry of Youth Affairs & Sports for the National Service Scheme (NSS), NSS Cell, Higher Education Department, Government of Gujarat and Gujarat University NSS Unit college is regularly conducting various activities to fulfil the goals & objectives of the NSS.
- Under the guidance of Principal, NSS programme officer Dr U. P. Tarpada is very enthusiastic and always encourage NSS volunteers to participate in all the NSS activities.
- Every year, NSS Unit of the college conducts various NSS activities as mentioned above.
- It's a matter of pride that our college's NSS programme officer Dr U. P. Tarpada have received National Service Scheme (NSS) State Level Award 2017-18, namely, "Best Programme Officer Award" from Government of Gujarat, State NSS Cell, Higher Education Department. He has received this Award on 24/09/2018.
- **\*** Evidence of Success :
  - Photographs of various NSS activities conducted by Government Science College, Gandhinagar is also available on College Website.
  - Certificates of the various NSS activities conducted by Government Science College, Gandhinagar is also available on College Website.
  - o NSS Yearly Reports prepared by NSS Unit is also available on college website.
  - Our college's NSS programme officer Dr U. P. Tarpada's Award titled **"Best Programme Officer Award"** is the real evidence of success.
