DETAILS OF ACADEMIC ACTIVITIES DURING SERVICE

1. Degree received :

I have completed Ph.D. in Statistics subject in Saurashtra University, Rajkot on 9th May, 1998. Area of research in Ph.D. work was “Analysis of Covariance in Design of Experiments.”

2. Orientation / Refresher Courses attended :

- (a) I have participated orientation course sponsored by University Grant Commission from 23-05-94 to 18-06-1994 at Academic Staff College, Saurashtra University, Rajkot
- (b) I Have participated Refresher Course in Statistics sponsored by University Grant Commission from 06-09-99 to 26-09-99 at Academic Staff College, Saurashtra University, Rajkot
- (c) I have participated Refresher Course in Statistics sponsored by University Grant Commission from 06-11-2000 to 23-11-2000 at Sir P.P. Institution of Science, Bhavnagar. It was organized by academic staff college, Ahmedabad.

3. Conferences Attend and Research papers reading :

- (a) I have attended the 20th Annual conference of Gujarat Statistical Association, held at Ahmedabad, on June 25-26, 1994. I have presented a research paper, “Analysis of covariance in two way classification with unequal cell frequencies.”
- (b) I have attended the 48th Annual conference of the Indian society agricultural statistics and a held at Kerala agricultural university, Mannuthy, Trichur on 15-17/12/1994. I have presented a Research paper, “Analysis of covariance of non-orthogonal data in three – way classification with two ancillary variables.”
- (c) I have attended the 13th Annual conference of Gujarat Science Academy, held at PRL, Ahmedabad, on 17-18 February, 1995. I have presented a research paper, “Analysis of covariance in three- way classified data.” It had been awarded as “Best Research Paper”
- (d) I have attended the 51th Annual conference of Indian society agricultural statistics and a held at Saurashtra University, Rajkot, on 6-8 December, 1997.

4. Publication of Research papers :

- (a) Research paper titled. "Multivariate covariance components for the balanced two-way random effect model" accepted for publication in Far East Journal of Theoretical Statistics.
- (b) Following research papers have been sent for publication in various National and international journals.
 - (i) "Analysis of covariance of Latin Square Design with single ancillary variable when one row is missing"
 - (ii) "Analysis of covariance of Reinforced Partially Balance Incomplete Block Design" with Two associate classes and Single ancillary variable"
 - (iii) "Analysis of covariance of Non-orthogonal Data in Two-way classification with proportionate cell frequencies and with single ancillary variable."

5. Teaching at Post-Graduate Level :

I have been recognized as a P.G. Teacher by Saurashtra University, Rajkot. So, I have been doing teaching work in M.Sc. Classes at Department of Statistics, Saurashtra University, Rajkot since three years.
