Best Practice 1

1. Title of the Practice:

Social Services through NSS

2. Objective of the Practice:

To promote social responsibility, community engagement, and personal development of students through impactful National Service Scheme (NSS) activities.

3. The Context:

To prepare graduating students as responsible citizens by providing chance to them in engaging selfless social services through 'National Service Scheme' is one of the important motives of higher education.

4. The Practice:

NSS volunteers of the college were engaged in social activities like World yoga day celebration, Voter awareness campaign, Treen plantations, Thalassemia checkups, Environment awareness program, World HIV Day program, Swami Vivekanand Jayanti celebration, Suicide prevention seminar, Gandhinagar district inter college mock parliament etc. which raised sense of social responsibility in them.

5. Evidence of Success:

Satisfaction expressed by NSS volunteers and members of the society, certificates issued by authorities and agencies who collaborated with us and media coverage of social activities certified the success of the scheme.

6. Problems encountered and Resources required:

Arrangement of medical devices, logistic support and coordination with voters were quite problematic. Required resources were appropriate venues for the programs, information materials, and organizational support.
