Year: 2019-20

VISION

Eco Club of Government Science College, Gandhinagar will be one of the best researches and development community in the city for taking efforts in the preservation of local flora and fauna.

MISSION

- To admire and identify the beauty of flora and fauna and empowering students for a preservation of it.
- To empower students for a green economy.
- To generate empathy for the flora and fauna of nature and to act in accordance.
- To endure a mindset to prioritize conservation of natural resources over monetary benefits.
- To intellectually develop sustainable solutions for preserving nature in harmony with the development undertaken by the society.
- To understand the medicinal and materialistic value of plant life.
- To take paramount steps in vitalizing endangered species.
- To actively involve and organize guest lectures, seminars, workshops on ecological issues and advancements.

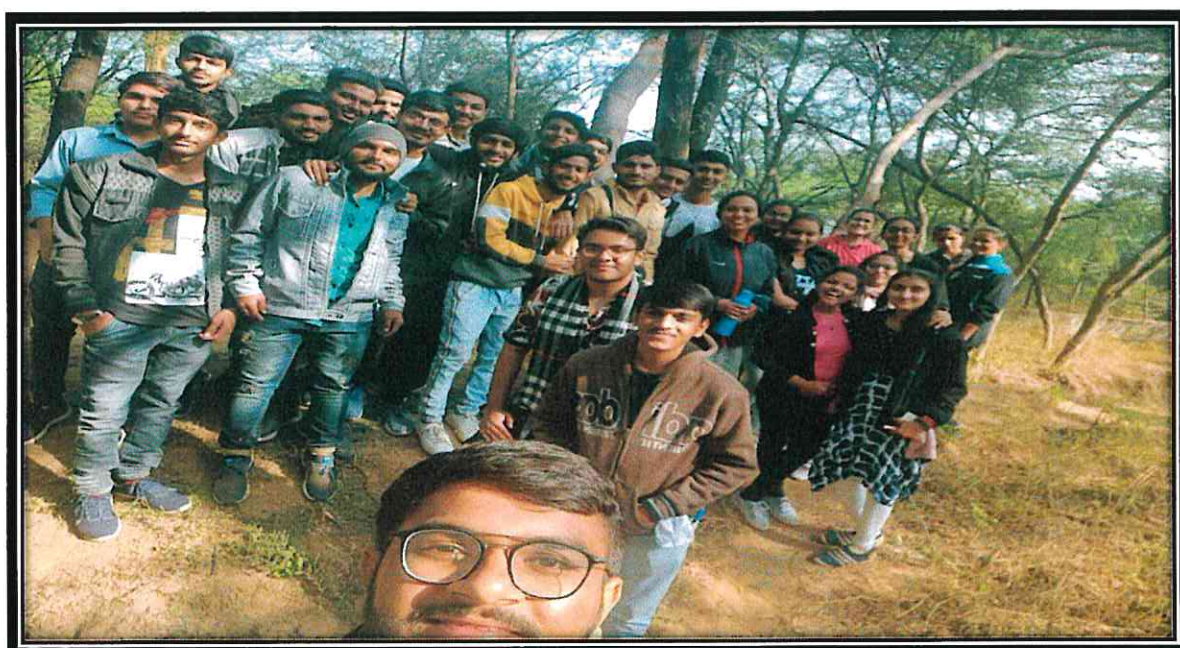

Government Science College, Gandhinagar

Year: 2019-20

- (1) **Nature Camp:** Students of Eco club and Botany Sem 5 have visited nature Camp, Ananya Van Gandhinagar, organized by Geer Foundation. They have also studied about different plant species, snake species, butterfly garden, Garden Design etc. Students had prepared garden report and submitted at University Practical Exam.

Nnature camp, Aranya van, Gandhinagar Date: 07/01/2020 To 08/01/2020

Government Science College, Gandhinagar

Year: 2019-20

The garden of the Ananya van comprises of different plant species from which majority of plants are climbers and herbaceous ornamental plants. The names of different plant species grown in the garden are *IXORA*, *TECOMA STANS*, *BATAK VEL*, *CROTON SP.*, *BOUGAINVILLEA*, *PASSIFLORA FOETIDA*, *CITRUS MEDICA* (*BIJORU*), *ROSA INDICA*, *CRINUM ASIATICUM* (*SPIDER LILY*), *ALOE VERA*, *HIBISCUS ROSA-SINESIS*, *PERIWINKLE*, *CREEPING DAISY*, *GARDEN BALSAM* etc.

There was an Interpretation centre of butterfly where the extensive information about the butterflies was given in the context of their appearance, lifecycle, habitat etc. The following information about the butterflies was given such as

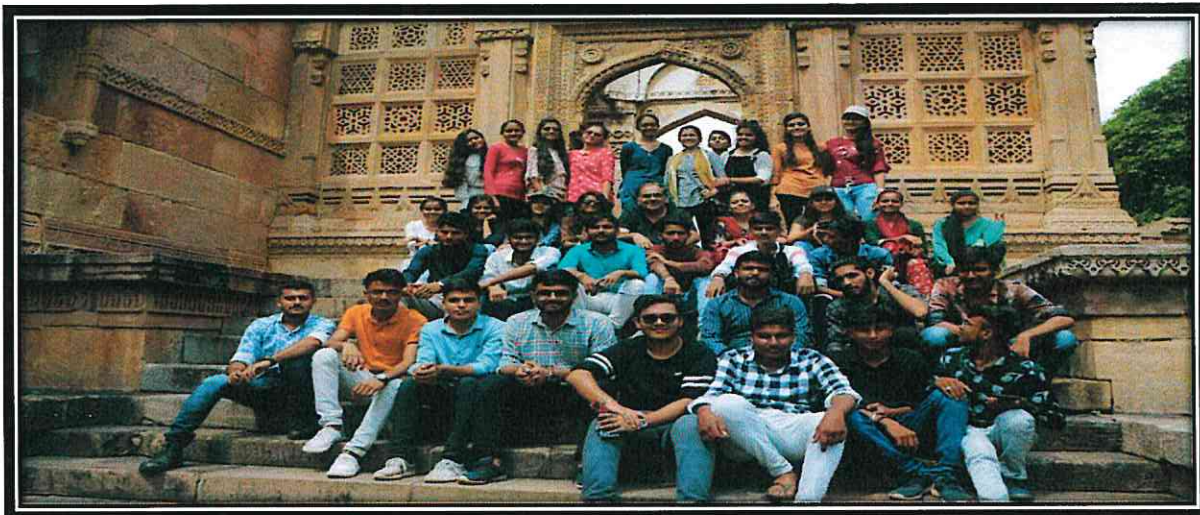

- ❖ Morphology of butterfly
- ❖ Scientific classification of butterfly
- ❖ Difference between butterfly and moth
- ❖ Butterfly behaviour
- ❖ Mating process of butterfly
- ❖ Lifecycle of butterfly
- ❖ Anti predatory tactics of butterfly
- ❖ Migration of butterfly
- ❖ Some amazing species of butterflies of Gujarat, India as well as world.
- ❖ Threats to butterfly
- ❖ Ethics of butterfly watching.

Government Science College, Gandhinagar

Year: 2019-20
