ECO CLUB: ANNUAL REPORT 2023-24

The Botany Department

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

From
Principal's Desk

Dr. M.G. Bhatt

In the midst of growing concrete jungles, it has become very critical to nurture the environmental awareness among the youth. The Eco-Club at Government Science College Gandhinagar was founded with this objective to emphasize that it is non-human ecology—not the economy—that demands our focus. By thriving in the former, we ensure our prosperity in the latter. I highly appreciate the variety of events organized by Eco-club to bring an ever-increasing environmental awareness among the student fraternity – the future keepers of our planet. Through these endeavours, the Eco club has successfully achieved all its learning objectives instilling kindness, empathy and affection towards our environment. The key takeaway for the students lies in their ability to appreciate the wonders of nature and actively contribute to its preservation.

The brochure lists all these efforts put forth by the Eco-Club committee in fulfilling the above objectives. The vast number of events being organized per academic year shows true dedication of the organizers and active participation of the students fostering a sense of responsibility. Celebrating events like Environment Day, World Forest Day and World Water Day keep the students informed on the worldwide efforts to safe-guard our natural heritage. They give them a platform for understanding the critical role forests play in maintaining ecological balance and educating with the sustainable practices. Moreover, the club's commitment extends beyond the campus. By hosting high-level bureaucrats during certain events, the impact is magnified, reinforcing the urgency of environmental conservation. The Eco-Club's guest lectures feature experts who share cutting-edge practices across various domains. These talks expose students to the latest advancements, inspiring them to become informed advocates for environmental sustainability.

This brochure serves as evidence of the tireless efforts of the Eco-Club. For those eager to delve deeper into our environmental initiatives, it provides a comprehensive overview of the events organized so far. Let us continue our journey toward a greener, more harmonious world—one event at a time.

(Dr. M. G. Bhatt)

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

Vision

Eco Club of Government Science College, Gandhinagar will be one of the best researches and development community in the city for taking efforts in the preservation of local flora and fauna.

Mission

- To admire and identify the beauty of flora and fauna and empowering students for a preservation of it.
- To empower students for a green economy.
- To generate empathy for the flora and fauna of nature and to act in accordance.
- To endure a mindset to prioritise conservation of natural resources over monetary benefits.
- To intellectually develop sustainable solutions for preserving nature in harmony with the development undertaken by the society.
- To understand the medicinal and materialistic value of plant life.
- To take paramount steps in vitalizing endangered species.
- To actively involve and organise guest lectures, seminars, workshops on ecological issues and advancements.
- To motivate the students for cleanliness of forest reserves of the city.
- To leave behind a green and clean legacy for the upcoming participants of the club.
- To celebrate various days like world environment day, world ozone day and earth day etc., to spread environmental awareness among the citizens.
-

Eco Club Meeting Minutes:

21/06/2023

An Eco club meeting was organized with the approval of Dr. M.G. Bhatt, Principal, Government Science College, Gandhinagar on 21/06/2023. In Eco Club meeting, it was decided that during the year 2023-24, eco club should organize the following programs with the acceptance and suggestion of Eco Club Committee Members.

- (1) To Organize or Participation Workshop/Seminar/Program related Environmental Issue, Biodiversity, Gardening etc.
- (2) To Celebrate Environment Day.
- (3) To organize Quiz, Essay, Elocution, Drawing Competition, opinion on theme of International Tiger Day, World Elephant Day, World Lion Day, Wild life Week, World Ozone Day etc.
- (4) To attend Nature camp/ Field visit/Botanical excursion Tour.
- (5) To organize Training Programme collaboration with Horticulture Department.
- (6) To make Eco friendly Ganesha on occasion of Holy festival of Ganesh Chaturthi.
- (7) To organize Plantation Programme.
- (8) To Enhance the Habitat of Birds.

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

Activity-1

Date: 05/06/2023

On the occasion of "World Environment Day", "Tree-Wakathon" tree talk program was organized at Shreyas Foundation, Ahmedabad.

LET'S ADD GREEN ON OUR BLUE PLANET

LET'S GO BACK TO THE NATURE

5th June, 2023 is celebrated as "World Environment Day". As part of the 50th anniversary celebration of this "World Environment Day", the "Tree-Walkathon" tree talk event was organized at Shreyas Foundation, Ahmedabad. In this event, the students of the Eco Club, the Botany Department, Government Science College participated enthusiastically with the permission of Dr. M. G Bhatt Sir, Principal Government Science College, Gandhinagar.

To celebrate 50 years of the world environment Day, Dr. Geetika Saluja, Ph.D. started a program called "Tree-Wakathon" and propagated the program in many areas. Her inspiring movement about the environment has started to change the perception of the environment among individuals and oriented the people to know, to protect and to preserve environment.

The "Tree-Walkathon" initiative was led by the organizing committee members - Bhushan Saluja, Amit Ashara, Khameer Joshi, Sapna Agarwal, Asha Jalan, Jai Parekh, Parth Desai. Anjali Choksi (the Chairperson of the Ahmedabad branch of the Institute of Chartered Accountants of India), Kavan Solanki (the photographer), Rajshri Vora (the Event decorator), Manan Dave (the social media designer Equinox Studios and PR and promotion expert) and Rotary Club of Ahmedabad were also present on this occasion.

Early morning at 5 am, about 250 people gathered at Shreyas Foundation to learn and to recognize medicinal trees, birds, butterflies and insects and to understand the medicinal importance of plants. This programme was organized with ideas like "Tree-Walkathon" meaning feel trees and talk to trees while walking with trees to heal trees

Dr. Suresh K. Patel, (Head, Department of Botany, Government Science College, Gandhinagar), Dr. Nainesh Modi, Dr. Santosh Yadav, Parth Desai, A.R. Amit Ashara, Mayur Prajapati, Smit Bhavsar, Devraj Panchani, Khameer Joshi, Hariom Gohil, Priyash Kumar, Sachin Prajapati, Shweta Thakkar, Dhruv Prajapati, Ridham Dave, Masood Pathan, Dr. Heena

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

Prajapati (Assi. Professor, GSC Gandhinagar) Dr. Pragna Prajapati (Chairman, Eco Club, Government Science College, Gandhinagar) were present in this programme.

The students of the Pipal Eco Club were subject experts, who trained all participants and divided them into small groups with tree names related to the subject matter. Suryanamaskar by Dr Seema Acharya, landscape sketching by artist Ganesh Vyas and his team were also planned in the above programme. The Tree-walkathon movement was completely eco-friendly (no waste created) and noise-free. Here no any sound system and mike used and no any paper cups or plastic bottles or flakes were used.

Earthen(soil) pots were filled with water and people refilled water bottles from them. Everyone was served sattvic snacks. Through this, we want people to get back into the lifestyle of our grandparents.

Dr. Geetika Saluja, organizer of the "Tree-Walkathon" event, said that this is important to reduce plastic and noise pollution on our planet. Whatever we give to nature, nature gives us back in multiplication and so we request everyone to bring one plant and in return they can take three plants. People have understood this concept by bringing one plant to the site and taking 3 plants in return.

Eco Angels Dr. Suresh K. Patel and Dr. Pragna Prajapati were awarded for his environmental work.

Whenever humans enter any environment, they make noise and harm the environment, forcing birds and other species to leave that place or leave a poor quality of life. We humans should understand that we are not the only species that live on this planet. We are one of the children of mother earth and not the only children of mother earth.

We need more such people to come forward and plan such awareness and educational initiatives together.

Finally, the holy saplings of Tulsi were gifted to this institution by the Government Science College, Gandhinagar.

Activity-4

Eco Club Organized online Quiz on "International Tiger Day"

9/07/2023

| | |
|---|---|
| 1 | વાઘ નું વૈજ્ઞાનિક નામ શું છે ? |
| | Panthera tigris |
| | Panthera leo persica |
| | Acenonyx jubatus |
| | Panthera pardus fusca |
| 2 | વાઘ નું સ્થાનિક નામ શું છે ? What is Local name of Tiger? |
| | વાઘBagh |
| | શેર Sher |
| | Pattayat Vagh |
| | ઉપરના તમામ All Above |
| 3 | વાઘ નું આયુષ્ય કેટલું હોય છે. What is the life span of a Tiger? |
| | 12-14 વર્ષ જંગલ અવસ્થામાં 12-14 years in Wild stage |
| | 16-22 વર્ષ બંધનાવસ્થામાં 16-22 years in Captivity stage |
| | ઉપરના બંને Above both |
| | એક પણ નહીં None |
| 4 | According to the tiger census of 2022 India has _____ Tiger. |
| | 1411 |
| | 2226 |
| | 2967 |
| | 3682 |
| 5 | Panna Tiger Reserve is in which State? |
| | Telagna |
| | Gujarat |
| | Madhya Pradesh |
| | Bihar |
| 6 | Total no. of Tiger reserve in In India? |
| | 53 |
| | 42 |
| | 80 |
| | 35 |
| 7 | Which country has the most tigers? |
| | Myanmar |
| | India |
| | Cambodia |

Student's Opinion

World Elephant day 2023

To protect elephant we should monitor elephant numbers, poaching rates and threats to elephant in habitat. prevent illegal killing. reduce the demand for ivory

Sitkhandi Om m. 54-Sem
Roll no:- 436 (2B)

Currently, international elephant conservation measures focus on controlling ivory stockpiles, establishing and strengthening the borders of protected reserves, anti-poaching patrols, and preventative methodologies to reduce human-elephant conflicts.

At Government Science College, Gandhinagar, Under the guidance and inspiration of Dr. M. G. Bhatt Sir, Principal, Government Science College, Gandhinagar Eco Club, Botany Department, and Department of Zoology jointly organized Guest lecture on "World Mosquito Day" on 21-08-2023. Smt. Mamtaben Dattani, State Malaria Office, Health Department, Javaj Mehta Bhavan delivered a lecture on "Vector Borne Disease Control Programme" to prevent the spread of mosquito-borne diseases and its spread.

She informed about the dengue and chikungunya diagnostic centers in and around Gandhinagar. She also educated the students about the life cycle of the mosquito, the place where it lays eggs and the reasons why diseases like malaria, dengue and chikungunya spread rapidly and how to take precautions from it. She gave a detailed insight into the activities her team is carrying out to spread public awareness to eradicate mosquito-borne diseases.

Eco Friendly Ganesha Making Competition

The festival of Ganesh Chaturthi is a day to express gratitude by remembering the virtues of Lord Shri Ganesha. On 18.09.2023 the students of Eco Club, Botany Department have actively participated in the 'Eco Friendly Ganesha Making' Competition. A beautiful idol of Lord Ganesha was made out of clay by the students. And expressed their gratitude to the environment by putting the seeds of plants in the idol Ganesha. The process of making these idols is an age-old tradition that blends artistry with spirituality.

Dr. M. G. Bhatt Sir, Principal, Government Science College, Gandhinagar was the source of inspiration for this entire program. As an invited guest at this holy event, Dr. Alapbhai Pandit, Programme Officer, GEER Foundation was present. As a judge in this program, Dr. Alapbhai Pandit and Dr. Jignasa Thumar (Department of Microbiology) played the crucial role.

Winner Students – Eco Friendly Ganesha

| Sr. No | Name | Roll No. | Sem | Winner Rank |
|--------|------------------------------|----------|-----|-----------------|
| 1 | NANDANIYA BHAVESH NARANBHAI | 46 | 5 | 1st |
| 2 | JOSHI KHUSHI KAMLESHBHAI | 487 | 3 | 2 nd |
| 3 | VITHALAPARA KRUPALI HARIBHAI | 271 | 1 | 3 rd |

The winner students were congratulated by the College faculties. The entire students group was encouraged by the GEER Foundation by giving Srusti Magazine by Shri Alapbhai Pandit. The entire programme was conducted successfully by Dr. S.K. Patel, Head of the Botany Department, and Dr. P. P. Prajapati, Chairman, Eco Club and the Entire Eco club Team.

Outcome of Event: In this event Eco Friendly Ganesha idols are made from natural materials like soil that are dissolve easily in water, biodegradable and do not cause any damage to the environment.

Eco friendly Ganesha made of natural clay and organic manure embedded with seed. After your pooja, simply dissolve the idol in water and watch as it transforms into a thriving plant.

Natural clay Ganesha with seed offers a conscious alternative to preserving environment instead of harmful plaster of Paris idols that pose to threat to the environment.

ગુજરાત સમાચાર

સરકારી વિજ્ઞાન કોલેજ ખાતે તાલીમ કાર્યક્રમ

સેક્ટર-૧૫ ખાતે આવેલી સરકારી વિજ્ઞાન કોલેજમાં મહિલા વૃત્તિકા યોજના અંતર્ગત ફળ અને શાકભાજીનું પરિરક્ષણ તાલીમનું આયોજન કરવામાં આવ્યું હતું. જેમાં કોલેજના વિદ્યાર્થીઓએ ઉત્સાહભરે ભાગ લીધો હતો.

સરકારી વિજ્ઞાન કોલેજ ગાંધીનગર ખાતે માહેલા વૃત્તિકા યોજના અંતર્ગત “ફળ અને શાકભાજીનું પરિરક્ષણ” તાલીમનું આયોજન

સરકારી વિજ્ઞાન કોલેજ ગાંધીનગર ખાતે મા. તા. ૨૧ થી ૨૨ સપ્ટેમ્બર સુધી બે દિવસીય “ફળ અને શાકભાજીનું પરિરક્ષણ” તાલીમનું આયોજન કરવામાં આવ્યું. આ તાલીમ નાયબ બાગાયત નિયામકશ્રીની ક્ષેત્રી તથા કોલેજના પીપલ ઈકો ક્લબ- વનસ્પતિ શાસ્ત્ર વિભાગ અને CWDC (collegiate Women Development Cell)ના સંયુક્ત ઉપક્રમે યોજવામાં આવેલ હતી.

સદર તાલીમ કાર્યક્રમ વનસ્પતિશાસ્ત્ર વિભાગ, સરકારી વિજ્ઞાન કોલેજ ગાંધીનગર અને બાગાયત નિયામકની કચેરી વચ્ચે પેપેલ NIOU અંતર્ગત કરવામાં

આવેલ. આ તાલીમમાં ૯૮ વિદ્યાર્થીની બહેનોએ ભાગ લીધેલ હતો. આ તાલીમનો મુખ્ય હેતુ “મહિલા સશક્તિકરણ અને પોષણ અભિયાન”નો હતો. આ તાલીમ કાર્યક્રમ અંતર્ગત વિવિધ વસ્તુઓની બનાવટો તૈયાર કરવાની પદ્ધતિઓનું નિરીક્ષણ કરવા તથા વિદ્યાર્થીની બહેનોને પ્રોત્સાહિત કરવા માટે હતો. ઉદઘાટન સમારંભમાં મુખ્ય અતિથિ નારાયણ માધુ, સંયુક્ત કમિશ્નરશ્રી, ઉચ્ચ શિક્ષણ કમિશ્નર ઉપસ્થિત રહી વિદ્યાર્થીની બહેનોને માર્ગદર્શન આપ્યું હતું. આ ઉદઘાટન સમારંભમાં મહેમાન ડો. બી. પી. રાહીડ, સંયુક્ત નિયામક, બાગાયત માનું, ઉપસ્થિત રહી અને

બાગાયતશાખાની વિવિધ યોજનાઓ વિષે માહિતગાર કર્યા હતા. વેશાલીબેન પી. કોવાડિયા, મહદનીશ બાગાયત નિયામક, સહાયક સંકુલ, સેક્ટર-૧૧ ઉપસ્થિત રહી કેનીંગ અને ડિગ્રેન ગાર્ડન સેન્ટર દ્વારા ચાલતી મહિલા વૃત્તિકા યોજના હેઠળ ફળ અને શાકભાજીનું પરિરક્ષણ અંગેની માહિતી આપેલ હતી. બાગાયત વિભાગમાંથી આવેલ શીતલબેન પ્રજાપતિ, મહદનીશ બાગાયતએ વિદ્યાર્થીની બહેનોને આઈ અને લીલુનું શરબત, આઈ અને આંબળાનું શરબત, ટોમેટો કેચપ, ડેસીક્રમ, મરચાં અને ગાજરનું પંજાલી

અથાણું, પાકી ખજૂર અને લીલુના રસનું અથાણું, ગાજર અને દેશી મરચાંનું અથાણું, કારેલાં અને કાજુ નું અથાણું, ખજૂર ના લાડું શિખવાડવામાં આવ્યા હતા. મુખ્ય મહેમાન શ્રી નારાયણ માધુ સરે વિદ્યાર્થીની બહેનો દ્વારા બનાવેલ વિવિધ વાનગીઓ નો ટેસ્ટ કરી વિદ્યાર્થીની બહેનોને પ્રોત્સાહિત કરેલ હતો. તા. ૨૨ના રોજ શ્રીમતી શીતલબેન પ્રજાપતિ અને તેમની ટીમે વિદ્યાર્થીની બહેનોને જામફળ અને લીલુનું સ્કવોશ, મિક્સ ફ્રૂટ જામ, મિક્સ ફ્રૂટની ચટણી અને નાળિયેરના લાડું બનાવતા શિખવાડ્યા હતા. ઈનોવેશન, સ્ટાર્ટ અપ, અને એન્ટરપ્રેનર માટે વિદ્યાર્થીની

બહેનો પ્રોત્સાહિત કરવાના ઉમદા હેતુસર સર આચાર્ય શ્રી ડૉ. એમ. જી. ભટ્ટ સરના માર્ગદર્શન હેઠળ આ કાર્યક્રમ કરવામાં આવેલ હતો. આ કાર્યક્રમ મહિલા વૃત્તિકા યોજના અંતર્ગત લોવાલી પ્રતિદિન વિદ્યાર્થીની બહેનોના બેક એકાઉન્ટમાં બાગાયત વિભાગ દ્વારા રૂ.૫૦/- સ્ટાઈપેન્ડ જમાવશે. અને વધુમાં આ કાર્ય ઈનોવેટિવ હોવાથી લીલાચિની બહેનો ભવિષ્યમાં ગૃહ ઉદ્યોગ કરી સ્ટાઈઅપ પણ કરી શકે છે. જે શિક્ષણ વિભાગ માટે ગર્વની વાત છે. કાર્યક્રમ ના અંતે વિદ્યાર્થીની બહેનોને સર્ટિફિકેટ અને વાનગી બનાવવાની રીતો પુસ્તક આપવામાં આવેલ હતું.

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

Activity-13

03/10/2023

The Students of Government Science College attended a seminar organized by Eco Club on "Wonderful Wildlife of Marine Habitats" and other Programme as a part of Wild Life Week at GEER Foundation, Gandhinagar.

"Wildlife Week" is celebrated from 02/10/2023 to 08/10/2023. During this Wild Life Week, On 3/10/2023, a One-day seminar was organized at Indroda Park, GEER Foundation. The main objective of this seminar was to increasing awareness about wildlife conservation. Under the guidance and inspiration of Dr. M. G. Bhatt Sir, Principal, Govt. Science College, Gandhinagar about 46 students from different department of our college like zoology, microbiology and botany department attended this seminar.

- Dr. Rupak B. Solanki Sir, Deputy Director, GEER Foundation explained the theme of "Participation in Wildlife Conservation" in the beginning of the programme.
- Dr. Sandeep Mujapara gave detailed information about the different types and its reasons of habitats of various wild animals. Wild animals mostly look for habitat according to their needs such as food, water and shelter and which are influenced by Environmental changes. Some organisms live in the decomposed parts of the Plants, Wilderness, in the rocks, as parasites in the body of the organisms, and in different types of deciduous forests, desert areas, tropical forests, etc. Dr Sandeep also gave very good information about the Lion and Gir forests.
- Dr. Devanshi Joshi, Scientist, GEER Foundation provided information about "Wonderful Wildlife of Marine Habitats". She gave a very good explanation about the classification of marine organisms, coral reefs, statistical data of marine biodiversity found in Gujarat. She also explained the importance of corals and Mangroves and highlighted the damage caused to marine wildlife by the misuse of plastics by the local people and tourists.

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

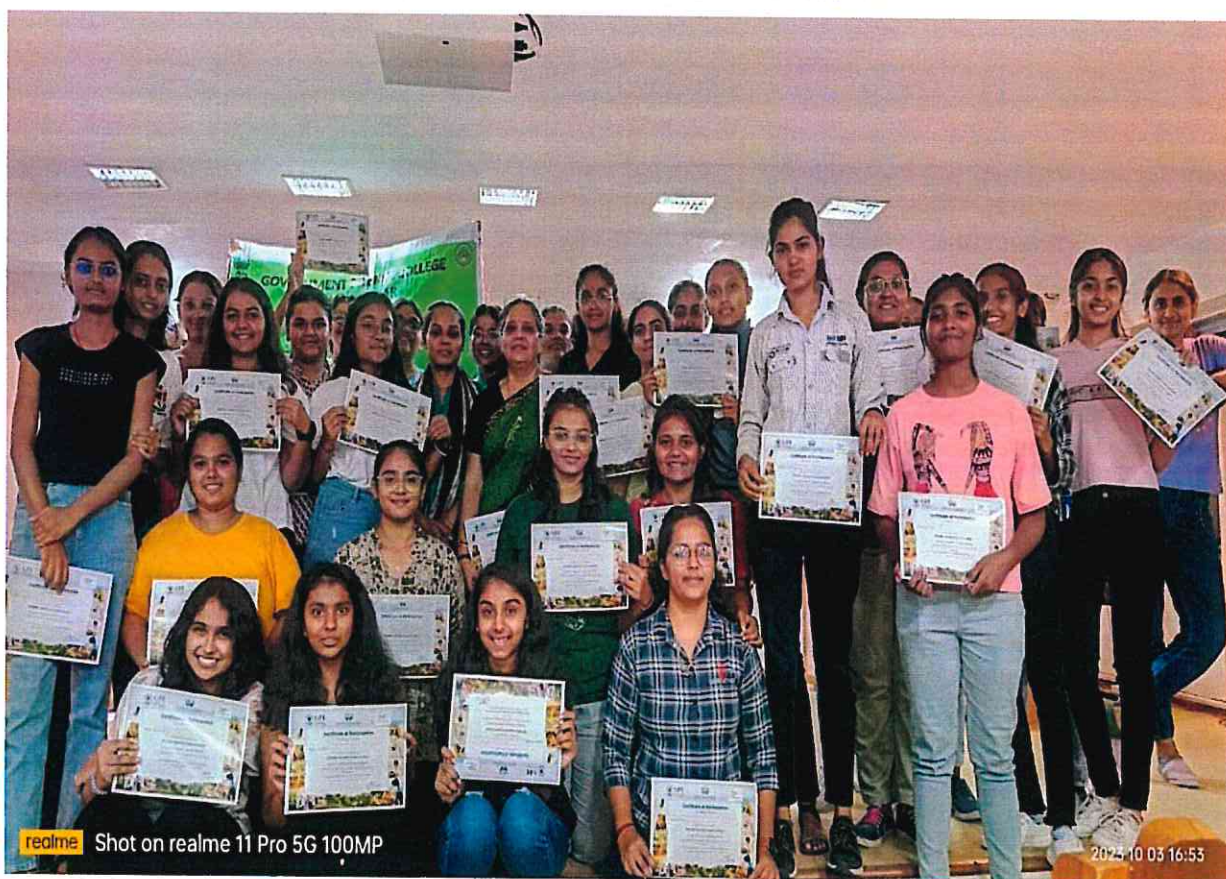

Eco Club, Botany Department

2023-24

- Smt. Kinjal Joshi, GEER Foundation gave information about the tools used during the study of wildlife such as GPS, Binocular, Spotting Scope, Trap Camera, etc. In the subsequent practical session, the students were explained the practical uses of ecological lab, GIS lab and remote sensing.
- The entire seminar was successfully conducted by Mr. Alapbhai Pandit, Project Coordinator and Smt. Vaishaliben, the Assistant Project Coordinator.
- In this seminar, Under the guidance and inspiration of Dr. M. G. Bhatt Sir, Principal, Govt. Science College, Gandhinagar the students participated.

Students achieved Certificate From GEER Foundation

સરકારી વિજ્ઞાન કોલેજના વિદ્યાર્થીઓ વન્ય જીવ સમાહની ઉજવણીમાં જોડાયા

ઈન્દ્રોડા પાર્ક, ગીર ફાઉન્ડેશન ખાતે “વન્ય જીવ સમાહ”ની ઉજવણી તા. ૨ થી ૮ ઓક્ટોબર દરમિયાન કરવામાં આવનાર છે. વન્ય જીવ સમાહ દરમિયાન તા. ૦૩/૧૦/૨૦૨૩ ના રોજ વન્ય જીવ સંરક્ષણ બાબતે જાગરૂકતામાં વધારો થાય તે હેતુસર ઈન્દ્રોડા પાર્ક, ગીર ફાઉન્ડેશન, મુકામે એક દિવસીય સેમિનારનું આયોજન કરવામાં આવેલ.

આ સેમિનારમાં સરકારી વિજ્ઞાન કોલેજ, ગાંધીનગરના પીપલ ઈકો ક્લબ, વનસ્પતિશાસ્ત્ર વિભાગ દ્વારા પ્રાણીશાસ્ત્ર, સૂક્ષ્મજીવાણુ શાસ્ત્ર અને વનસ્પતિશાસ્ત્ર વિષયના લગભગ ૪૬ વિદ્યાર્થીઓએ આ સેમિનારમાં ભાગ લીધો હતો.. કાર્યક્રમની શરૂઆતમાં ડૉ. રૂપક ખી. સોલંકી, નાયબ નિયામક, ગીર ફાઉન્ડેશનએ “વન્ય પ્રાણી સંરક્ષણની ભાગીદારી” થીમ વિષે સમજ આપી. ત્યારબાદ પ્રથમ સેશનમાં ડૉ. સંદીપ મુજપરા, ગીર ફાઉન્ડેશન દ્વારા વન્ય પ્રાણીઓના

નિવાસસ્થાનના જુદા જુદા પ્રકાર અને તેના હેતુ વિષે સવિસ્તર માહિતી આપેલ.

વન્ય પ્રાણીઓ મોટેભાગે ખોરાક, પાણી, રહેઠાણ જેવા હેતુ અનુસાર નિવાસસ્થાન શોધે છે. અને તેમના પર પરિસ્થિતીકીય પરિબળો અસર કરતાં હોય છે. કેટલાક સજીવો પ્રકાંડના કોહવાયેલા ભાગો, ખડકોના પોલાણમાં, સજીવોના શરીર માં પેરેસાઈટ તરીકે તથા જુદા જુદા પ્રકારના પાનખર જંગલો, રણ પ્રદેશ, ઉષ્ણ કટિબંધીય જંગલો વગેરે જગ્યાએ નિવાસ કરે છે. તથા સંદીપ મુજપરાએ ગીરના જંગલો અને સિંહ વિષે પણ ખૂબ સરસ જાણકારી આપેલ. ત્યારબાદ બીજા સેશનમાં ડૉ. દેવાંશી જોશી, ગીર ફાઉન્ડેશન એ “Wonderful Wildlife of Marine Habitats” વિષે માહિતી પ્રદાન કરેલ.

તેમણે દરિયાઈ જીવોનું વર્ગીકરણ, કોરલ રીફ, ગુજરાત માં જોવા મળતી દરિયાઈ જૈવ સૃષ્ટિ ની આંકડાકીય માહિતી,

પરવાળા અને ચેરનું મહત્વ તથા લોકો દ્વારા પ્લાસ્ટિકના દુરુપયોગથી દરિયાઈ વન્ય સૃષ્ટિને થતાં નુકસાન વિષે ખૂબ સરસ સમજૂતી આપી.

ત્રીજા સેશનમાં કિંજલ જોશી, ગીર ફાઉન્ડેશન એ વન્ય જીવોના અભ્યાસ દરમિયાન ઉપયોગમાં લેવાતા સાધનો જેવાકે GPS, Binocular, Spotting Scope, Trap Camera વગેરે વિષે માહિતી આપેલ. ત્યાર પછીના પ્રેક્ટીકલ સેશનમાં વિદ્યાર્થીઓને ઈકોલોજીકલ લેબ, GIS લેબ અને રિમોટ સેન્સિંગના વ્યવહારુ ઉપયોગો સમજાવ્યા. સમગ્ર સેમિનારનું સફળ સંચાલન આલાપ પંડિત, પ્રોજેક્ટ કોઓર્ડિનેટર અને વૈશાલીબેન આસી. પોગ્રામ કોઓર્ડિનેટર દ્વારા કરવામાં આવેલ હતું. આ સેમિનારમાં સંસ્થાના આચાર્ય ડૉ. એમ. જી. ભટ્ટના માર્ગદર્શન હેઠળ પીપલ ઈકો ક્લબ, વનસ્પતિ શાસ્ત્ર વિભાગના સેમેસ્ટર-૧ના વિદ્યાર્થીઓએ ભાગ લીધેલ હતો.

Workshop on

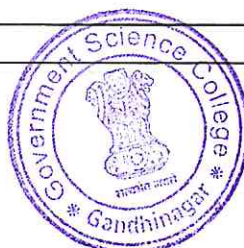

"The Desert Plants-Understanding, Identification and Cultivation of Cacti & Succulents"

We attended workshop on "The Desert Plants-Understanding, Identification and Cultivation of Cacti & Succulents" at Gujarat Council of Science City, Ahmedabad.

Theory Session: We have obtained about cactus and succulent plants information. Honourable Dr. V. P. Boda Sir was the expert of these subjects. He taught us characteristics of different type of Cactus and Succulent Plant Species. We learned many kinds of Cactus Species, its appropriate Environment for its' good Growing, Potting and Repotting Cultivation Methods, Identification key for Cactus Propagation Methods, Enemies of Cactus that damage Plants and how we protect from them and the signification of out-door and Indoor Cactus and Succulent Plants species

Practical Session: Dr. V. P. Boda Sir taught some identification key for identify Cactus Species and grafting methods to propagate Cactus Plant species.

| Sr. No. | Plant Species | Family |
|---------|--|--------------|
| 1 | <i>Bryophyllum delagoense</i> (Eckl. & Zeyh.) Druce | Crassulaceae |

| 20 | <i>Agave victoriae-reginae T.Moore</i> | <i>Agavaceae</i> |
| 21 | <i>Aloe vera (L.) Burm. f.</i> | <i>Liliaceae</i> |

Outcome of students:

From this Workshop students have learnt in details about the importance identification, types and classification of Cacti and Succulents, with important species of both to grow inside the house. The different type of media, Cacti and Succulents used to grow Cacti & Succulents, methods of potting and repotting and recycling of plants required for Cacti & Succulent have been described. Cacti and Succulents need specific requirement of water irrigation, fertigation, propagation, its time and types have been described in detail to maintain these plants. There are some enemies of Cacti and Succulents which harm the plants indoor, detail about all these with their control methods. After studying about Cactus plant species students can start to grow Cacti and Succulents successfully inside our Home.

ગાંધીનગર સમાચાર તા. ૨૦-૧૨-૨૦૨૩, બુધવાર

સાયન્સ સિટીમાં કેક્ટસ અને સક્યુલન્ટ્સ ધ ડેઝર્ટ પ્લાન્ટ્સ વિષયે વર્કશોપ યોજાયો

ગાંધીનગર, તા. ૧૯
ગુજરાત સાયન્સ સિટી ખાતે
આજ રોજ, કેક્ટસ અને
સક્યુલન્ટ્સ ધ ડેઝર્ટ પ્લાન્ટ્સ વિષય
પર એક દિવસીય વર્કશોપનું
આયોજન કરવામાં આવ્યું હતું. આ
કાર્યક્રમમાં આશરે ૫૦ જેટલા
બોટની વિષય પર અભ્યાસ કરતા
વિદ્યાર્થીઓએ ઉત્સાહપૂર્વક ભાગ
લીધો હતો. કાર્યક્રમ દરમિયાન
કેક્ટસના નિષ્ક્રાંત ડો.વિ.પી.બોડા
દ્વારા વિદ્યાર્થીઓને કેક્ટસ-
સક્યુલન્ટ્સ તથા તેના મહત્વ વિશે

વિદ્યાર્થીઓને ઉદાહરણપૂર્વક માર્ગદર્શન
આપવામાં આવ્યું હતું, આ ઉપરાંત
“Opuntia ficus-indica”
નામની કેક્ટસની પ્રજાતિ ઉપર
વિશેષ સમજણ આપવામાં આવી
હતી. આ પ્રજાતિ દુનિયાભરમાં તેના
વિવિધ ઉપયોગો તથા મહત્વને લીધે
ખુબ મોટા પાયેમાં ઈકોનોમીકલ
લેવલે ઉગાડવામાં આવે છે.
વિદ્યાર્થીઓ ખાસ કરીને આ વિષયમાં
રસ દાખવી, ભવિષ્યમાં તેના પર
વધારે રીસર્ચ કરી અને કારકિર્દી
બનાવી શકે તે અંગેનું માર્ગદર્શન ડો.

બોડા તથા સાયન્સ સિટીના જનરલ
મેનેજર ડો.વ્રજેશ પરીખ દ્વારા
વિદ્યાર્થીઓને આપવામાં આવ્યું.
ત્યારબાદ સાયન્સ સિટીના લાઈફ
સાયન્સ પાર્કના કેક્ટસ કોર્નરમાં જઈ
વિદ્યાર્થીઓને કેક્ટસની વિવિધ
પ્રજાતિઓની ઓળખ આપી અને
તેનું મહત્વ સમજાવ્યું તથા વિવિધ
ક્લેટીવેશન મેથડ પછા પ્રેક્ટિકલ કરી
બતાવવામાં આવી હતી. ગુજરાત
સાયન્સ સિટી અવિરતપણે આવા
વિજ્ઞાનના પ્રચાર અને પ્રસારના
કાર્યક્રમોનું આયોજન કરતી રહે છે.

Students attended "International Wet land " Seminar

Students of Eco Club, Department of Botany and Zoology, Government Science College, Gandhinagar attended the "International Wetland" Seminar organized by the GEER Foundation with the approval of Dr. M.G. Bhatt Sir on 13/02/2024. Wetland is an valuable gift of nature. We must preserve it and try to make people aware of it. Let us make joint efforts so that the birds, wild animals, plants and humans of the water-logged area can all live in harmony with each other. Only if we complement each other and balance social, economic and environmental needs, we will be able to fulfil all our duties on the ecosystem learnt from this seminar. Dr. P. P. Prajapati and Smt. Heenaben Arya of Eco Club attended the seminar along with the students.

Activity-21

19/02/2024 To 21/02/2024

Nature camp at Aranya Park, GEER Foundation

Students of Eco club, Botany Department, Government Science College, Gandhinagar participated in the nature camp organized by NNCP (National Nature Camping Programme), GEER Foundation, Gandhinagar from 19/2/2024 to 21/2/2024.

Day-1: On the first day of the camp, Dr. Sandeep Mujpura sir delivered a lecture on bio-geography and biodiversity. In which he gave very good information about the geographical location of Gujarat, the diversity of habitats, how the white desert is formed, the gulfs found in Gujarat, types of forests and he also gave information about the plant and animal diversity.

The students then visited various laboratories at The GEER Foundation. The students got knowledge about GIS, GPS, Scanning Electron Microscope, Soil Lab, etc. from experts of their subjects. In the evening, a natural trail was conducted from Indroda Park to Aranya Park on the banks of Sabarmati river.

Day-2: On the second day of the camp, the students were taken on an educational tour of the forests of Polo, Vijayanagar. The trekking was carried out by Shree Dalsukhbhai, a forester in polo forest. He gave information about the importance of various special reserve trees such as *Saag*, *Sisam*, *Sandalwood*, *Mahudu*, *sadad* in human life. He gave very useful information about various plant species such as Timru, Googal, Kesudo, Orchids and Extinct Vulture Bird Species. Flying lizards, Chilotars, bears, leopards, Sahudi, Snakes, etc. The students were greeted with Vande Mataram at the eco point of the hill.

The students then visited the Antarsuba medicinal nursery near Polo Forest. Shree Bachubhai the forest guard gave information about the medicinal plant and he showed a very beautiful and attractive Orchid house. He also gave information about the cultivation and maintenance of various parasitic Orchids. Shree Waghela Sir, Range Forest Officer (RFO) provided very good

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

information on the "Aravalli Mountain Range Rescue Scheme" and Provided very good information about what is our moral duty to protect this natural and priceless dream.

This mountain range is very important. More than 45 villages in the vicinity get a variety of benefits from it. It is the duty of everyone to protect our natural wealth. If we go for a walk or enjoy nature, we should not throw any kind of plastic waste in the water. This can lead to water problems. He requested to make others aware of this by us.

Day-3: Certificate distribution. Students hanged Bird feeder and Water pot for Birds in Aranya Park, Gandhinagar.

Students attended Workshop on Ethnobotany at Serenity library, Ahmedabad

The poster is for a workshop titled "One Day Workshop on ETHNO-BOTANY" with the subtitle "Plant-human interface". It is organized by St. Xavier's College (Autonomous) in collaboration with The Serenity Trust. The event is held at The Serenity Library & Botanical Garden, Gandhinagar, on March 01, 2024, from 09:00 AM to 05:00 PM. The fee is ₹400/- for students and ₹600/- for others, including lunch and high tea. The workshop includes an "UPCYCLING COMPETITION" where participants create art from plant products. A QR code is provided for registration. Contact information for Dr. Suhani Parekh and Agresha Dave is also listed.

On Inspiration of Dr. M. G. Bhatt sir, the principal Government Science College, the students have participated in a one-day state level workshop on "Ethno-Botany: Plant-Human Interface". The workshop was jointly organized by the Department of Botany, St. Xavier's College, Ahmedabad and Serenity Trust, Ahmedabad. Ethnobotany means the study of folklore (Traditional stories and beliefs). Folk botany means the usefulness of plants in the daily life of human beings.

Among the speakers in this training, Dr. Father Lansy D'Souza gave information about the history, development and branches of ethnobotany. Dr. Bhaskar Punjani Sir delivered a informative reports on Ethnobotany in Gujarat. And Dr. Mayur Nandikar gave a detailed account of the history of botany in terms of socio-economic science and Dr. Santosh Yadav

Out Come of Eco Club activities

Year: 2023-24

Eco Club plays an important role in creating awareness of the environmental issues, challenges and their remedial measures amongst the students. The eco club conducts following various activities that help students in understanding environmental issues, its aim is to install deepen thought process and finding the solutions to environmental problems. Eco club activities will surely be going to encourage our students about safeguard of our mother earth.

(1) Workshop/Seminar /Program:

- Students were sensitized by environment and biodiversity programmes, wild-life and nature conservation Seminar, Importance of Conservation and Enrichment of local biological diversity as a part of sustainable life style, Kitchen garden and Organic farming and fertilizer Workshop, , Gardening and nursery management and, marine diversity, mosquito, green techniques, etc.
- Students became aware of the environment and got healthy ideas to start up with new ideas for conservation of Environment.
- "Vector born disease control Programme" Seminar: Students learnt about the dengue and Chikungunya diagnostic which centres in and around Gandhinagar, the life cycle of the mosquito, the place where it lays eggs and the reasons why diseases like malaria, dengue and chikungunya spread rapidly and how to take precautions from it were also taught.
- Wet land Seminar: Wetland is a valuable gift of nature. We must preserve it and try to make people aware of it. Let us make joint efforts so that the birds, wild animals, plants and humans of the water-logged area can all live in harmony with each other. Only if we complement each other and balance social, economic and environmental needs, we will be able to fulfil all our duties on the ecosystem learnt from this seminar.
- From Cactus and Succulent Workshop Students have learnt in details about the importance of Cactus, identification, its types and classification of Cacti and Succulent Plant species which grow inside and outside the house etc.

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

- Through Ethnobotany Workshop Students achieved valuable information about medicinal plants and knowledge about usefulness of plants in the daily life of human beings (Traditional stories and beliefs)

(2) Environment Day Celebration:

- Students participated in Quiz, Drawing Competition on the theme of International Tiger Day, World Elephant Day, World Lion Day, Wild life Week etc. to raise awareness about their decreasing population and need for conservation. Students achieved effective knowledge about animals' diversity, Life cycle, Conservation and Preservation through Quiz.
- World ozone day Celebration:

(3) Nature camp/ Field visit:

- Students attended nature camp/Field visit at the sites of environmental importance and connect to nature exploring the flora and fauna of their surroundings.
- Nature camp provided students an experiential learning opportunity about Biodiversity, Minor and Major benefits of Forest, medicinal value of Plants, different Orchid species, identification of Birds by their color, sound, feather etc., endangered Bird and Animal Species, Wet land ecosystem, livelihoods and lifestyles of local people.
- Students created greater awareness, understanding and empathy for the environment through nature camp.

(4) Training Programme:

(A) "Fruit and Vegetable Preservation" training Programme.

(I) Students were taught to make healthy food items from fresh vegetables and fruits. This work is innovative and the students can think of start-up by doing home industry (Gruh Udyog) in future, which was a matter of pride for the education department.

(II) The students were given Certificates for participation and Recipes book by Horticulture Department.

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

(III) Each student has got Rs. 500.00 as a stipend in their bank account from Horticulture Department.

(IV) Student's trained in this workshop, contributed during different events by preparing healthy dishes like Coconut laddu, Date prickles, Lemon-Ginger juice, Garlic Catani, Guava squash etc.,

(V) Students of Eco Club, Botany Department have participated in canteen Day Celebration and achieved 1st First Rank at Government Science College, Gandhinagar. They made Coconut Laddu, Millet Vada, Millet Pizza, Date-biscuit, Guava Squash etc.

(VI) Eco Club student took part in Garba Prasadi competition, she made coconut Laddu and awarded 3rd Rank.

(B) Gardener training Programme:

- Students learnt about the various benefits of Garden, types of gardens, Bonsai, propagation methods, kitchen garden, terrace garden, Nursery management etc., under Urban Green Mission Programme.
- From gardener training program Students can plan start up for gardening and Nursery management.
- Each student received Rs. 750.00 as a stipend credited in their bank account from Horticulture Department.

(5) Eco friendly Ganesha:

- In this event Eco Friendly Ganesha idols are made from natural materials like soil which are dissolved easily in water, they are biodegradable and do not cause any harm to the environment.
- Eco friendly Ganesha was made of natural clay and organic manure embedded with seed. After the occasion, simply dissolve the idol in water and it transforms into a thriving plant.

GOVERNMENT SCIENCE COLLEGE, GANDHINAGAR

Eco Club, Botany Department

2023-24

- Natural clay Ganesha with seed offers a conscious alternative to preserving environment instead of harmful plaster of Paris idols that pose threat to the environment.

(6) Plantation Programme:

- Green campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices in the campus and bring the positive effects.
- It maintains bio-diversity. Trees help in conservation of water. It helps to understand how to plant trees. Global warming could be solved by lowering carbon emission.
- Students and Participants were highly energetic to make the event a big success. A spirit of teamwork, exchange of ideas and enthusiasm of the participants especially among the students could be seen.

(7) Enhance the Habitat of Birds:

- Students Set up Bird feeder and colourful Bird Nest on a Tree and expressed gratitude towards Nature.
- Students can help nature this way and play a positive role to make this world a better place for living.

(8) Students learnt valuable knowledge of mother nature through various activity done by Eco Club and their resources and achieved certificate.

(9) Eco Club organized inspirational activities with GEER Foundation, Horticulture Department and Science City, Ahmedabad, Serenity library etc., and students benefited to knowledge about Environment.

2023-24

Acknowledgement:

- (1) Eco Club committee would like to express a heartfelt gratitude to Dr. M.G. Bhatt Sir Principal, Government Science College, Gandhinagar for providing inspiration and valuable guidance during these successful programs. We look forward to keep working and making our efforts under your esteemed guidance.
- (2) Eco Club committee thanks To Botany Department and Various Departments such as Chemistry, Physics, Microbiology, Zoology, Mathematics who gave permission to their students for participation in Environmental awareness events.
- (3) "The Horticulture Department, Gandhinagar", "The GEER Foundation," "Science City, Ahmedabad," "The Serenity Library, Ahmedabad," and other organizations are gratefully acknowledged by the Eco Club for their excellent collaboration on Eco Club Programs.
