## 1. About Library

Library plays a vital role in the collection development and dissemination of scientific information. Dwelling on new digital initiatives the Library caters to the academic interests of the student and faculty community at the Government Science College, Gandhinagar. The library aims to possess the richest collection with best publication of academic importance. We are constantly in a process of increasing our collection of books further. Library provides extensive access to leading Indian and international research journals in electronic formats. Library has provided E-Resources through NLIST, INFLIBNET Centre. The library is fully automated with SOUL software. The software facilitates maintaining bibliographic details of books, issue -return of books, and bar-coding system for labelling and circulation purpose. The web-based search module of software has been installed so the library collection can be searched from outside the campus.
