1. Teacher's Day Celebration

In Government Science College, Gandhinagar Teacher's Day was celebrated on 06/09/2021 on the occasion of the birthday of Dr. Sarvapalli Radhakrishna (First Vice President of India) under Saptadhara. At the beginning of this programme, Principal Dr. M.G.Bhatt, the backbone of this college, explained the importance of Teacher's Day to the students. He also inspired and motivated all students who participated in various events. On this day under the Knowledge Act Programme, many students became teachers and taught various subjects very well in classes. Kum. Divyaben Patel (Topper of T.Y.B.Sc) was became a principal on this day, and give the vote of thanks on behalf of teachers. Many students have presented self created poem under the Geet Sangeet Dhara and Creative Expression Dhara. Many Students have also presented a thank you note expressing gratitude to the teachers under Rang Kala ane Kaushlya Dhara. Students have created decorative playcards with good wishes for teachers. Creative books about their favourite teachers were created by a group of students and in which they applied photos of the teachers and mention the teacher's virtue as per their name. Under the guidance of the Principal Dr. M.G.Bhatt, the entire programme is organized successfully by the Chairman of 'Saptadhara', Dr. K.B. Patel with the help of The coordinators of various activities. Students have actively participated made the programme successful.

Dr. Mahendra G Bhatt

"Sir, it is true that we never met you, never interacted with you but by hearing many good things from our teachers about you we are so blessed to have you as our Principal. You always stand back of us and support us in every way possible. Thank you so much sir for your support..."

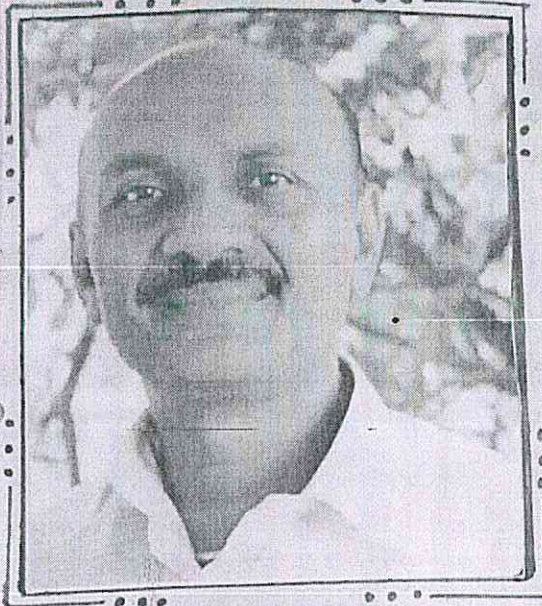

Dr. Ketan B Patel

"The best teachers are those who show you where to look but don't tell you what to see. As we all know Ketan sir is a very moody person, some times he is very GOOD and sometimes very BAD to us but when it comes to study he will never step back, he will support us and we thank you sir for being there for us whenever we needed you !!!"

Dr.
Rajendra
Patel

"Only one thing to say sir for you,
you don't just teach but you inspire us.
Everyday is not same some times we
irritate you, argue with you but we
never saw you with this rude behavior.
This great behavior motivates us to stay
calm and focus on GOAL. We thank
you sir, for supporting us as much as
you can"

Dr Dipti Mehta

"Mam, THANK
You for being
Our teacher.
you did every
thing to make your
class fun & exciting
I learned so
much from you.
THANK You once
again."

"Sir, best lines for you,
Best teacher teaches
from HEART ♥ not
from the BOOK. We
are THANKFUL to you
for making our
way of understanding
easy as story,
Whenever required."

Dr. Chetan
Chauhan

"Sir, only one thing to say
What we have learned from
you, Mathematics is not about
numbers, equation or algorithm
but it is all about understanding

• We are grateful to you and
all the hard work you put in
day after day
doesn't go un-
noticed - THANK

You for every
thing.

= Dr. Bhavin
Patel.

= Mrs. Yogita Parmar

"Mam, we had been together since 1 year
One thing we learned from you that
Mathematics may not teach us how to
add love and minus Hate but it gives
us every reason to hope that every
Problem has a solution. THANK YOU
for all your love towards us."

The way you have
been sharing your
knowledge with us
for the past year,
makes you the most
special teacher to us.
We thank you for
all things you
had done for us.

= Ghanshyam
Patel ★

"We will always
be thankful to
you for all your
Hardwork and efforts
that you put in
to educate us.
Once again THANK
You Sir..."

= Dr. Deepan
Grandhi

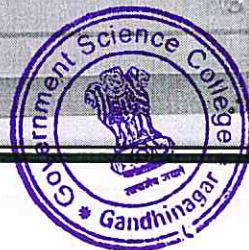

Dr. Pragna Prajapati

I feel lucky enough
to have a teacher like
you who helped ^{me} to reco-
gnize my interest Guided me
and supported me and also
motivated me to do my best
Good Teacher Know How to
bring out best in Students

'Mam! you solve the
numericals in seconds
which we take whole day
. I thank you for all your
efforts, at last we learned
just because something is
difficult doesn't mean
we shouldn't try, it means
we should try HARDER.'

= Mrs. Mamta Amrutia

Dr. KiritsinH Zankat

Dr. THANKYOU for all
your support and
encouragement given to
me. you have
been always
an excellent
educator who
knew exactly how
to illuminate a
soul with its
own lights. Once
again THANKYOU so
much.

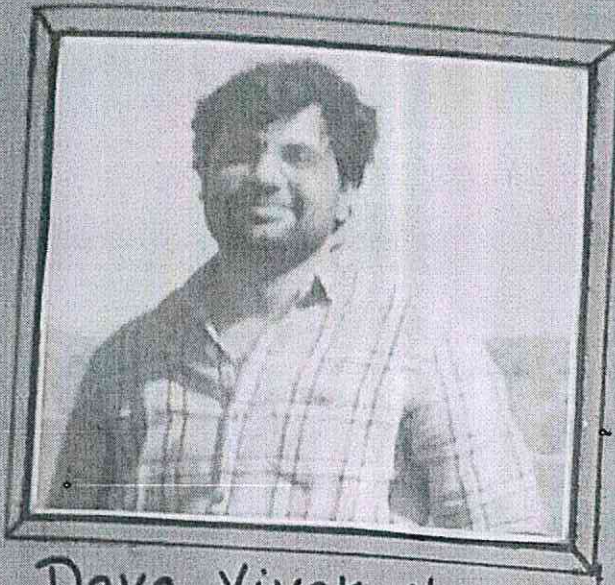

You guide us, inspire
us teach us and at
last we learned
it doesn't matter how
beautiful theory is
it doesn't matter how
smart you are, if it
doesn't agree with the
experiment then it's
wrong. Your teaching
will always be
etched in my mind.

= Dr. Mayuri Barot
