FROM THE PRINCIPAL'S DESK.....

The UDISHA (Universal Development of Integrated Employability Skills through Higher Education Agencies) initiative, led by the Knowledge Consortium of Gujarat (KCG) under the Gujarat Education Department, aims to enhance employability skills for final-year graduation and post-graduation students. It focuses on equipping students with the necessary skills to succeed in the job market through expert-led lectures, tailored to their fields, which have been well-received for their relevance and quality.

A key component of UDISHA is organizing placements for students. The initiative conducts college-level placement drives for B.Sc. and M.Sc. students, connecting them with potential employers. It also collaborates with industries to collect job vacancies for college and district-level placement fairs, ensuring a wide range of opportunities.

The dedicated UDISHA Placement Committee works diligently to bridge the gap between students and industries, ensuring students are job-ready. Students have expressed satisfaction with the initiative, particularly its focus on skill development and career support.

UDISHA strengthens the industry-academia connection, aligning students with market demands and reducing unemployment. With potential for expansion, it promises to further empower students in their career journeys.

AIM & OBJECTIVES OF UDISHA PROGRAMME

UDISHA is the initiative of Knowledge consortium of Gujarat and Department of Higher education, Government of Gujarat.

UDISHA is an employment-based initiative where students directly connect to various employers to improve their employability skills.

UDISHA work as a communication pathway between Employer and Job Seekers. For this, college students are trained for soft skill and domain training as per the requirement of Industries.

UDISHA initiative under extension at KCG is trying to deliver more appropriate skills among the youth of Gujarat State in order to make them employable easily and as per the needs of the markets.

To train the youth of colleges and provide appropriate skills for the industry world.

With these broader objectives set by Department of Higher education, Government of Gujarat, Government Science College, Gandhinagar worked with various student-oriented activities including

- ✓ Develop students' profile for the placement
- ✓ Identify their interest and capabilities through Aptitude Tests.
- ✓ Development linkages with Job providers.
- ✓ Train them in Soft Skill, Functional English and ICT in accordance with the demands of the market.
- ✓ Facilitate an interface of the students with job providers by organizing job fairs at State, District and College level
- ✓ Bring uniformity in job placement efforts and procedures in all colleges across the state.
- ✓ Take feedback from employers and Students who get employed.

"Science Meets Strategy: Careers and Entrepreneurship in Pharmaceuticals"

Date: 30/08/2025

Venue: N-11, Government Science College, Sector-15, Gandhinagar

Organized by: UDISHA & Department of Chemistry

Speaker: Dr. Anuj Patel, Director, Synstar Chemicals LLP, Ahmedabad

❖ Introduction

An expert lecture on Recent Advances in Drug Design and Development was organized by the joint venture of UDISHA and Department of Chemistry, Government Science College, Sector-15, Gandhinagar, on Dt. 30 August 2025. The objective of the lecture was to enhance the knowledge of students and faculty in the field of modern drug development techniques and Careers and Entrepreneurship in Pharmaceuticals.

❖ About the Speaker

Dr. Anuj Patel is a distinguished chemist and entrepreneur with a strong academic foundation and a dynamic career in pharmaceutical research and innovation. He/She is currently serving as [Position] at [Institution/Organization], and has numerous publications and patents in the field of medicinal and pharmaceutical chemistry. Dr. Patel has contributed significantly to the scientific community through multiple reputed international publications and has also authored a book, showcasing his expertise and commitment to advancing chemical sciences. Professionally, he has worked with reputed organizations such as Synzeal Research Pvt. Ltd., Darsh Pharma Chem, and Alcove International, gaining hands-on experience across various facets of pharmaceutical development. As a visionary innovator, Dr. Patel proposed a startup under the **Student Startup Scheme**, for which he was **honored by the Chief Minister of Gujarat**. He went on to establish **Synstar Chemicals LLP**, a company specializing in the **research and manufacturing of pharmaceutical products** including **APIs, research molecules, and finished dosage forms (FDFs)**. Under his leadership, Synstar Chemicals has expanded its global footprint, exporting to **eight countries**, including the **USA, Cambodia, Colombia, Bangladesh, and Zambia**.

❖ Lecture Summary

Dr. Patel began the lecture by outlining the traditional process of drug discovery and then moved towards more advanced methods such as:

- ✓ Structure-Based Drug Design (SBDD)
- ✓ High Throughput Screening (HTS)
- ✓ QSAR (Quantitative Structure-Activity Relationship) Modeling
- ✓ Role of Artificial Intelligence and Machine Learning in Drug Discovery

The speaker provided detailed insights into real-life case studies and ongoing research projects. Emphasis was laid on the importance of interdisciplinary collaboration in drug design,

involving bioinformatics, organic chemistry, and pharmacology.

Apart from this, Dr. Anuj Patel also gave a lot of interesting information to the students about start-ups and innovation.

❖ Student and Faculty Interaction

The session was interactive, with numerous questions posed by students and faculty members. Topics such as regulatory challenges in drug approval, current trends in personalized medicine as well as student start up and innovation policy were discussed during the Q&A session.

❖ Conclusion

The expert lecture was highly informative and well-received by attendees. It provided valuable exposure to the latest trends in pharmaceutical chemistry and inspired students to explore research opportunities in this dynamic field. The department expressed its gratitude to Dr. Patel for sharing his expertise and to all participants for their active engagement.

1. Background

As part of the implementation of instructions provided by the Placement Cell, KCG during the online meeting dated 20.08.2025, a placement drive was organized at our college on 04.09.2025. The event aimed to facilitate employment opportunities for final-year students and strengthen the link between academia and industry.

2. Participating Companies

A total of 7 companies registered for the drive, out of which 4 companies were physically present.

3. Student Participation

The placement drive received registrations from over 350 students, with around 250+ actively participating from various disciplines of the college. While prior registration was encouraged, provisions were also made for spot registration for both students and companies. The drive was open to students of undergraduate and postgraduate programs, though participation was notably higher among undergraduates, particularly B.Sc. Chemistry students.

Upon registration, each student was provided with a welcome sheet (*see Annexure-I for sample*) containing details of the participating companies along with their unique student code, enabling them to plan which companies they wished to approach. Students were given the freedom to appear for interviews with multiple companies, thereby maximizing their employment opportunities. Importantly, companies conducted on-the-spot interviews and announced results immediately, ensuring timely feedback and benefiting the students directly.

Gender wise Registration for Placement Drive

Inauguration Function

The inaugural ceremony of the Placement Fair at Government Science College, Gandhinagar, commenced with a distinguished panel on the dias, including Nodal Officer and Principal **Dr. D. P. Patel**, IQAC Coordinator **Dr. Y. M. Patel**, **Dr. Amit Sutariya** (Principal of Government Commerce College), and Placement Coordinator **Dr. N. R. Modi**. The session, anchored by Senior Professor **Dr. V. A. Pathak**, emphasized the transformative nature of modern recruitment; Dr. D. P. Patel urged students to seize the unique advantage of engaging with multiple industries in a single venue—a luxury he noted was unavailable to previous generations—while Dr. Amit Sutariya motivated the participants, particularly the highly enthusiastic cohort from the neighboring commerce college, to view the day as a vital stepping stone toward their professional futures. Following Dr. N. R. Modi's expressions of gratitude toward the supporting institutions and the companies providing direct-entry career paths, the formal proceedings concluded with a gracious vote of thanks proposed by Placement Committee member **Dr. H. P. Lakum**.

Concluding Remarks

The placement fair at **Government Science College, Gandhinagar**, was a high-impact event that successfully bridged the gap between academic talent and industry requirements. Held on **March 17, 2026**, as part of the Zone 1, Node 3 initiatives, the camp was organized under the leadership of Nodal Officer **Dr. D. P. Patel** and Zonal Officer **Dr. C. S. Sangavi**. The venue served as a dynamic hub where students from seven different institutes converged to explore career opportunities, creating a professional atmosphere conducive to networking and recruitment.

The event saw a robust turnout and impressive results, with **19 industries** actively participating to scout for fresh talent. Out of the **378 students** who took part in the fair, a significant **208 candidates** successfully secured selections. This high conversion rate—roughly **55%**—

highlights the strong alignment between the curriculum of the participating institutes and the real-world needs of the visiting companies. Overall, the fair stood as a testament to the effective coordination of the nodal team and the high caliber of students in the Gandhinagar region.
