Seminar on Motivation of girl's education and awareness of law and important helpline numbers related to women's safety

A program was organized on date 10/8/2019 at Government Science College, Gandhinagar in celebration of Women Empowerment Fortnight. In this seminar, Commanding Warden Service, Gandhinagar Unit, Civil Defense Officer Mrs. Anjanaben Nimavat, Civil Defense Officer Mr. Utkarshabhai told the students that women are not behind in any field than men and both have equal contribution in the development of this society, giving examples of women pioneers in different fields, he gave a very inspiring speech to the students on why they need to move confidently in the social and economic fields in life. Guidance was provided

Apart from this, the female faculty members of the institute also gave very inspiring speeches to the students. About 100 students and all the female faculty participated enthusiastically in this program and did necessary questioning and discussions. In this program, information was also given about the important helpline for women "Abhayam" and information about other legal provisions was also provided. Thus the program was successfully completed. All members of CWDC have made the program successful under the guidance of Dr. Mahendra G. Bhatt .

Motivation of Girl's Education

Dt. 14/2/2020

A 5 days physical training program on self defense of girl

From 10/02/2020 to 14/02/2020, the sisters of students studying in the first, third and third year of the college in the program organized under the CWDC (Collegiate Women Development Cell) Committee at Government Science College, Gandhinagar provided free training on women's self-defense.

During the five-day self-defense training, Master Rajeshbhai taught various techniques of martial arts such as methods of attacking and self-defense against opponents, various martial arts limb exercises that increase physical strength and flexibility, the role of strength and strengthening of one's body parts and muscles used in attack and defense techniques. A mode of enabling self-defense, during any journey or for any reason unknown, Women or young girls going to deserted or secluded places were provided with detailed information about the precautions and precautionary measures to be taken regarding their self-protection. With this women's self-defense training, qualities like self-confidence, concentration, vigilance, quick decision-making and entrepreneurship will increase in the sisters of the students, all-round development will take place, for the unity and integrity of the nation, the girls will be helpful in the reconstruction work of the state of Gujarat. Also wishing to participate in the works of public and patriotic service as well as the conservation and development of nature and forest resources - wishing Master Shri Rajeshbhai R. Makwana has imparted awareness training on martial arts as well as tree plantation here and completed the training by instilling new enthusiasm among the students. . All members of CWDC have made the program successful under the guidance of Dr. M. G. Bhatt sir.
