Q. 21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.*

Observations:

- Every faculties are very supportive and there is no question or doubt.
- We are lucky that we get beat knowledge from the institute
- Very good activities in our college
- No suggestions at all
- Very good college for students
- Very good teaching staff
- Learning experience is good

- Very good activities are carried out in our college
- The practicals are going very well in our college
- Practicals are always best in my institute
- Teachers are hardworking, honest and regular
- Teaching is excellent
- Teaching level is very grateful and helpful
- Teachers are responsive

Suggestions:

- Number of teachers should be increased
- Maximise the use of ICT in teaching
- The institution must arrange educational tours or industrial visits to make students aware about field and encourage them to improvise their practical knowledge
- Students should be encouraged for extra-curricular activities
- Do needful for better infrastructure, old benches, canteen, drinking water, cleanliness of washrooms parking area
- Better information or communication system should be placed via mobile for students
- Please don't engage teachers in other administrative work
- We are requesting to let them (teachers) free from other administrative duty so that they can give us time for completing our course
- Do not assign any other work than academic to professors, because of that they can't give total concentration on students
- Encourage students for their future goals
- Communicate with every students
- The college building is very old. Sometimes we (students) were in fear to get injured by it. so needful steps should be taken to renovate the building of college as soon as possible.
- In semester system teachers & students feel time constraint
- Revision session should also be there
